

- Power feedable connector to joining three track sections.

White

Black

The diagram shows two orthographic views of a mechanical part. The **Front View** (top) shows a T-shaped profile with a total width of 7" and a total height of 4 1/4". The central vertical section has a height of 1 1/2" and a width of 1 3/4". The horizontal base has a height of 3/4". The **Back View** (bottom) shows the same part from the opposite side, with a central circular hole having a diameter of 7/8". Both views show four mounting holes, one on each side of the horizontal base.

Item	Finish
EC805W	All White
EC805B	All Black
